

College Stadium Championship

"PLAY WHERE THE COLLEGE PLAYERS PLAY"

Fall Event - November 5-7, 2010

5 game format

Some of the Top Teams in the Country will be invited to play off in one of the Nation's most prestigious Stadiums, University of Florida Gators Softball Stadium (Katie Seashole Pressly Stadium).

We are bringing a "new" and exciting format to Softball Tournaments. Your team can play in pool games AND play off for a "Championship". College Coaches will have the opportunity to evaluate your players in both scenarios.

All games will be played on the University of Florida campus including the stadium.

During the Event, the Florida Gators will host a double header Fall College Game.

We will be hosting this format at a few select college campuses - (coming soon).
